The Compassionate Friends (TCF) is a mutual assistance self-help organization offering friendship and understanding to bereaved families. Its mission: When a child dies, at any age, the family suffers intense pain and may feel hopeless and isolated. The Compassionate Friends provides highly personal comfort, hope, and support to every family experiencing the death of a son or a daughter, a brother or a sister, or a grandchild, and helps others better assist the grieving family.

On Saturday, April ____, 2027, The Compassionate Friends of Tampa Bay Area will host its Walk to Remember® in person and virtually. Virtual walkers walk wherever they are: a neighborhood, a park, a beach, or a place their child loved, at the same time we walk together in Tampa Bay. The purpose of the Walk is to remember children who died too soon but still walk in their families' hearts, to unite the families of our local chapter, and to raise funds to support the mission of our local chapter.

Won't you join us by asking friends, family and businesses to back your walk with a pledge for our local chapter? Whether you walk a mile or a couple hundred feet, near or far, is not important. What matters is that you have taken this time to keep your child's memory alive as we walk this journey together.
